CONFERENCE SPONSORSHIP OPPORTUNITIES

ABOUT OMA

Established in 1972, the Oregon Mayors Association mission is to convene, network, train, and empower mayors. The purpose of the OMA is to increase the knowledge and ability of persons serving in the position of mayor; to promote the exchange of information and ideas among mayors; to provide opportunities for mayors to meet and discuss special functions of the office of mayor; and to provide strong, collective efforts for influencing state programs and legislation.

SPONSORSHIP OPPORTUNITY

The OMA Summer Conference is the premier educational opportunity focused on Oregon mayors. The 2024 OMA Summer Conference will be held July 18-20 at the Running Y Resort in Klamath Falls. The conference brings together approximately 130 attendees. Sponsorship of the OMA Summer Conference is an excellent opportunity to help communities by advancing the knowledge and skills of Oregon's mayors, the overwhelming majority of whom are unpaid volunteers.
